

# UNITRON TRADING SYSTEM

## **Introduction**

Every business needs to systematically maintain records of all business transactions. The management needs to know about the performance for planning & control. Creditors, Debtors, Investors, Banks & the Government are interested in knowing the financial performance of a business firm. The Unitron Financial System records, classifies & reports the financial data of a business.

## **System Functions**

- General Ledger
- Accounts Receivable
- Accounts Payable
- Receipts
- Payments
